THE PRESERVE AT WOODLAND HARBOR

South Haven, Michigan, 2006. On August 18, 2006, Stage Development Company, LLC, will break ground at their exciting new residential real estate development, the **Preserve at Woodland Harbor**. Scheduled for completion in fall 2009, the **Preserve at Woodland Harbor** will feature a picturesque 110 slip riverfront marina, over a mile of scenic walking paths, dedicated woodlands and wetlands, open recreational areas and a community pavilion for concerts and gatherings for everyone to enjoy.

Expected to attend the groundbreaking ceremony will be representatives from Governor Jennifer Granholm's office, State Representative Tonya Schuitmaker and South Haven Mayor Dorothy Appleyard, as well as local community and business leaders.

The 210 unit waterfront development has been designed with handsomely appointed Arts and Crafts inspired cottages, custom single-family homes and harbor side homes. Christopher L. Picone, a principal of Stage Development Company, LLC, says that the developer has strived to design homes with livable architecture, the best aesthetics, features and finishes and beautiful landscaping that are in perfect harmony with the project's natural setting.

The groundbreaking ceremony will be held on the grounds of the development at **2:30 PM on Friday, August 18**, with a reception immediately following.

Stage Development Company, LLC is a Chicago based, privately owned real estate development company offering innovative services to the real estate industry.
